Internet and Web Systems 1

Final report

1. I developed a 'book rating system' as apart of my project.
2. First two weeks I worked on building my personal webpage which is live on 'www.cs.uml.edu/~tpurohit'
3. My project is live under the projects tab of the same website under 'internet and web systems'
4. Major technologies I have used overall are Html, CSS, JavaScript, BootStrap, NodeJS, ExpressJS and MySQL.
